# East Chicago Stock Sale

## A Sale Event Without a Rival

## A Bit of Interesting History

June 23rd, 1919, we purchased a stock of merchandise in East Chicago, which business developed rapidly, and being unable to secure larger quarters in the above city, we sought to secure a location in Hammond. October 20th, 1919, we purchased the stock, lease and fixtures at our present location, 160-162 State Street. On February 21st this year we merged the two stores, thus making one mammoth store. In order that our customers and the people residing throughout the Calumet Region may become more fully acquainted with the tremendous advantages of dealing with a concern such as we, our entire East Chicago stock will be offered at radical reductions, and in the face of advancing cost of merchandise this seems unbelievable. This is your opportunity to save.
